At Energy Muse we design our jewelry to help the wearer achieve a desired outcome. Many believe it is Good Luck when jewelry breaks. This can be considered a breakthrough; a releasing of old energy blockages and a signal that your desired goal has been reached.

Our restring and repair service includes restringing, cleansing, re-energizing and reactivation of your beads and gemstones. Think of it as a spa service for your jewelry. (Please be sure to see payment instructions in red below.)
